## Certificate Program in Aboriginal Language Revitalization (CALR)

### LING 180A: Dynamics of Indigenous Language Shift (1.5 Units)

Effective approaches to language revitalization begin with an understanding of the context of language shift and loss. This course provides an introduction to the human dynamics associated with Aboriginal language shift and language loss, including the profound psychological, intellectual, and spiritual effects on individuals, families, communities, and cultures.

This course introduces contemporary issues, principles, and practices in the revival, maintenance and revitalization of Indigenous languages in Canada and around the world. Participants identify community assets supporting individual, family, and community language revitalization.
